Mr. Vishnu Gopal,

This is the **Coordinator** from **Relief India Trust**. I am writing this mail regarding the blog/complaint that you have posted in your site ([blog.vishnugopal.com](http://blog.vishnugopal.com)). In the blog titled "**Relief India Trust is a Scam NGO, Do not Donate!**", you have written that you have been getting calls from **Relief India Trust**. I would like to state that we don't make phone calls regarding any type of donation for our NGO and this calls are fake and doesn't have any relation with us.

Someone is using the name of our NGO and making these calls.

In a way the blog that you have posted about us is completely false and is destroying our reputation.

I request you to take action and remove the post from your website. Looking forward to hear from you ASAP.
